

YOU'VE HEARD IT SAID

LifeGroups

Key things you heard

- If we want to change our actions, we need to start by changing our mindsets. Consider these to get you started:
 - Security vs. Status triggers
 - Adopted vs. Orphan mentality
 - Scarcity vs. Abundance mindset
- Time and money are *influenced* by our beliefs, and they *influence* our behaviors. As a result, they will also impact the relationships we have with others.
- Our feelings about time and money can indicate areas in which we need to grow in our faith.
- **Key Scripture**
Matthew 6:21

Pray: *God, we want to use our resources to become more like You. But that's hard if we don't talk about the progress we're making, or the mindsets we might struggle with. Please reveal the ways we can better reflect You in how we use our resources. In Jesus' name, amen.*

Tweetable Moments

Our lives are not our own. Everything, including our finances, belong to God.

Keep looking at your progress. Keep looking toward the future. And celebrate how far you've come.

Say What? Questions for conversation

Icebreaker: What would you do if money actually grew on trees?

- When you were a kid, what mindsets did you have about time and money? What mindsets do you have now, and how did they evolve?
- Are some resources easier for you to talk about than others? Why do you think that is?
- Read **Matthew 6:21**. Where does your joy come from? What might this reveal about your heart?
- Share about a time when your mindset or feelings about your resources shifted. What caused that shift, and what changes did you make as a result?
- Share times where money and time have either broken or built trust with someone else.
- Are the mindsets you have about money and time helping you become more or less like Christ? What could you do to shift your mindsets in a way that honors God?
