

YOU'VE HEARD IT SAID

LifeGroups

Key things you heard

- Purpose is less about what you do and more about who you are.
- The more we get to know God, the more we get to know who we are because we are created in God's image.
- When you ask, "What am I supposed to do with my life?" you miss out on what your purpose is today.
- Author and speaker Dick Foth reminded us: If you talk to the God of the universe in the morning, you can probably decide what to do with your day.

Pray: *God, thank You for creating us in Your image and for preparing good works for us to do. Help me get to know You more fully and align my identity with who You say I am. Guide me as I go throughout today, and show me ways to serve and love others around me. Amen.*
